## Dynamic Blue Chip Balanced Fund Series A

The information contained in this profile is related to the index indicated above. As part of a BMO Life Assurance Company policy, you do not purchase units in this index or a legal interest in any security.

## OBJECTIVE

Dynamic Blue Chip Balanced Fund seeks to maximize returns and provide long-term growth of capital consistent with preserving capital and providing income by investing primarily in a full range of equity and fixed income securities. Before a fundamental change is made to the investment objective of the Fund, the prior approval of unitholders is required. This approval must be given by a resolution passed by a majority of the votes cast at a meeting of unitholders.

The information contained on this page is related only to the designated fund or funds shown above. As part of a BMO Life Assurance Company policy, you do not purchase units in this designated fund or a legal interest in any security.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
