FIXED INCOME

CI Canadian Bond Fund Class A

The information contained in this profile is related to the index indicated above. As part of a BMO Life Assurance Company policy, you do not purchase units in this index or a legal interest in any security.

OBJECTIVE

This fund's objective is to obtain long-term total return. It invests primarily in fixed income securities of Canadian governments and companies that the portfolio advisor believes offer an attractive yield and the opportunity for capital gains. Any change to the fundamental investment objective must be approved by a majority of votes cast at a meeting of unitholders held for that reason.

GROWTH OF \$10,000

Annual values as of April 30, 2025

The information contained on this page is related only to the designated fund or funds shown above. As part of a BMO Life Assurance Company policy, you do not purchase units in this designated fund or a legal interest in any security.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
