OBJECTIVE

This fund's objective is to achieve long-term capital growth by investing, directly or indirectly, primarily in equity securities of Canadian companies. Indirect investments may include convertible securities, derivatives, equity-related securities and securities of other mutual funds. Any change to the fundamental investment objective must be approved by a majority of the votes cast by shareholders at a meeting called to consider the change.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
