Notes:

All returns are historical annual compounded total rates of return and reflect changes in yield and distribution reinvested. The Accounts credit an interest amount mirroring the percentage change in value of a specified market index, adjusted for currency fluctuations, or of a specified underlying investment, less a BMO Life Assurance Company daily management fee. The BMO Life Assurance Company management fee will be deducted from the returns and will be reflected in the policyholders' fund value.

The guaranteed maximum BMO Life Assurance Company management fee on each account type is listed below, by product. Refer to your policy contract for details.

	Life Provider (Low Fees)
